Published annually in midsummer since 1985, Provincetown Arts focuses broadly on artists, performers, and writers who inhabit or visit the tip of Cape Cod, and seeks to stimulate creative activity and enhance public awareness of the cultural life of the nation's oldest continuous art colony. Drawing upon a century-long tradition rich in art, theater, and writing, Provincetown Arts publishes essays, fiction, interviews, journals, performance pieces, poetry, profiles, reporting, reviews, and visual features, with a view toward demonstrating that a community of artists, functioning outside the urban centers, is a utopian dream with an ongoing vitality.
